At the provincial (OCA) and national (CCA) levels, names and addresses may be used in cooperation with sponsors and partners of curling to promote products and services that may be of interest to you. If you prefer not to receive these curling related offers please check here. ()

Do you wish to participate in inter-club bonspiels during the season? **YES () NO ()**

In an effort to keep fees at this low level, all members are encouraged to perform at least three duties per season (e.g.: kitchen, bar, cleaning, bonspiel organizer, daily or evening coordinator, coach, etc.) and help in fund raising activities. Many workers lessen the load on those carrying it.

**** If you have a specific skill set (e.g.: plumber, electrician, accountant etc.) that you are willing to share with our Club, we would appreciate your assistance. Contact your Board of Directors if you can help in any way.**
